

Principal Ponderings

He is risen! He is risen indeed! Alleluia! What freedom these words bring. With our salvation won, we can go boldly forward as His redeemed children, spreading the Truth and sharing the Word in JOY. Such joy permeates all around us. It is infectious. 1 Peter 1 states that we are born again to a living hope through the resurrection of Jesus Christ from the dead. May we model that hope and celebrate with joy the sweet message with our children and everyone with whom we have contact, declaring - I know that my redeemer lives!

Teacher Spotlight

A seven-year veteran of FLCS, Miss Upton serves as our Administrative Assistant and K-2 Teacher Aid. Helping students learn to read is a true joy for Ivy. "There's something uniquely beautiful about the moment a first word is successfully sounded out. Suddenly, a whole new world is unlocked...Soon, reading words will grow into reading sentences, and from there, stories. I feel honored to have even a small hand in one of the most important developmental milestones a child will achieve." This love of teaching has led Ivy to pursue a college degree in elementary education next year...in Ireland! Until then, you will find this songbird lending her voice to First Lutheran's praise team and her musical talent to the bell choir. Most often, though, you will find her with a good book in hand, writing stories or illustrating characters.
