

LWML News

Our Lutheran ladies have been busy gathering items to assemble Hygiene Kits, Baby Care Kits, Quilts and School Kits for 2 Christian groups.

Kits for LUTHERAN WORLD RELIEF need to be ready by May 10th. They receive the large boxes packed with the kits and quilts we prepare and house them in warehouses in various parts of the country to be distributed where needed.

THE ORPHAN GRAIN TRAIN is a Christian volunteer network that ships food, clothing, medical supplies and other needed items to people in 71 different countries. Its headquarters is in Norfolk, Nebraska. The Orphan Grain Train takes clothing in every size, shoes, non-breakable items, small kitchen appliances, bedding/linens, sewing supplies, mobility aids, bicycles, and the kits we assemble. These items can be donated new or gently used. It was founded in 1992 by Rev. Ray S. Wilke pastor of LCMS Grace Lutheran Church in Norfolk, Nebraska.

The LWML will have a list of the items needed in the Narthex should you wish to help out.

In His Name,
Diane Dickson
