

Lutherans Engaged in Mission, along with First Lutheran Missoula, Zion and Messiah Lutheran Churches, Bismarck, have scheduled a mission trip to Kid's Kingdom orphanage in Imuris, Sonora, Mexico from Thursday, June 12th to Thursday June 18th. We will be flying out of Missoula via Allegiant Air to Mesa where Pastor Mark Christensen will pick us up and we then head down to the orphanage. Come and join us as we share the love of Christ with the children and staff at the orphanage. Through our interactions and special activities, we hope to create happy childhood memories for the children. We strive to make their living environment more safe, secure and comfortable through our work projects and in all that we say and do, share the love of Christ.

Some of the activities we are considering for this trip include: distributing food baskets and Bibles to widows, single moms and families in crisis, a pizza party for the children and staff and assisting with Kids' club (think mini VBS) and Sunday School. Also, a variety of work projects which might include: replacing lights, sockets and switches, various plumbing repairs (fixing leaky faucets and non-functioning toilets, etc.) and more than likely, some painting. The cost is \$620 per person and includes your airfare, transportation, lodging, travel insurance and meals (except on travel days).

To reserve your spot, please let us know as soon as you can so that plane tickets can be purchased while the prices are lower. For more information contact Pastor Mark Christensen @ pastormarkchristensen@gmail.com OR Sonja Reeves @ deaconesssonja@gmail.com.
