

Ronald McDonald House

Donations

Every third Thursday of the month a group of First Lutheran members prepare dinner for the Ronald McDonald House. The Ronald McDonald House has a supply drive called "Christmas in July" as everything they provide for the house is by donation only. They provide a place for families to stay who have children in the ICU at Community Hospital. Here is a list of some of the items needed:

Paper Towels
Toilet Paper
Kleenex
Swiffer Duster Refills
Laundry Bleach Tabs
Ziploc Freezer Bags, Quart & Gallon Size
K-Cups of Coffee
Individual Tea Bags
Coffee Creamer

If you can provide any of these items, please place them in the box in the Narthex and we will see that they get to the House. We thank you and so do the families staying at the Ronald McDonald House.
