For our Stewardship program this year, we are using “Stewardship is HEART WORK”. The idea comes from a modern-day parable by Ken Blanchard “The Generosity Factor” based on the life and example of S. Truett Cathy, the founder of Chick-fil-A. We will be filling out the acronym throughout the coming year. Here is the Letter H.

He owns it all.
Every day is an opportunity.
Action is required.
Remember your blessings.
Thank Him.

We give
Only to
Reflect all the gifts our
King bestows on us.

He owns it all: The earth is the Lord's and everything in it, the world and all who live in it, (Psalm 24:1). Everything we have is a gift from God - our time on earth, the abilities we possess and our material blessing. How would our lives look, if instead of returning 10% of our abundance, we recognize that 100% of our possessions, our talents and our time are God's, entrusted to us by Him for use in His service? Stewardship is not about big. Stewardship is not about small. Stewardship is about faithfulness to his Word and in all that we have and do. That is exactly what St. Paul says in 1 Corinthians 4:2! "Moreover, it is required of stewards that they be found faithful" (1 Cor. 4:2).
