T is for thanking God for all we have

Sometimes it is hard to be thankful for the little things especially in hard times, but we must remember all things we have belong to God. As stated in Psalm 100:4, "Give thanks to the Lord and praise His name" or in 1 Timothy 4:4-5, "Everything God made is good and should be received with thanks." Reading Bible verses, thanking God, and counting our blessings have a way of lifting us up and filling us with hope. As stated in Colossians 4:2, "Devote yourself to prayer being watchful and thankful."
