

A Word of Thanks

From CareNet

Dear Church Partner, First Lutheran Church,

Something remarkable happens when a community comes together for LIFE.

Through the 2026 Baby Bottle Boomerang, your congregation filled bottles, prayed, gave, wrote notes of encouragement and joined churches across Western Montana in something much bigger than any one of us could do alone.

YOUR 2026 BABY BOTTLE IMPACT

Together, your congregation raised: \$1,956.91

Every bottle, every prayer, and every gift become part of a shared investment in LIFE and future generations. Thank you for the meaningful part your church played.
